guiding our school days ...

Mr. Harold Sodt is probably the main person connected with the Jefferson School System. For twenty years Mr. Sodt has dedicated himself to the bettering of our schools.

Mr. Sodt attended Eastern Michigan University from which he received his Bachelor of Science Degree; he obtained his Master of Arts degree from the University of Michigan.

Even with the position which he holds, he always manages to find time to support the Jefferson athletic teams.

Today the Jefferson School System has a total enrollment of 2,700 students. The Senior High School has 504 students of which 187 are sophomores, 167 juniors and there are about 130 graduating seniors.

To provide finances for expansion and growth a number of bond issues have been passed. Ten years ago a bond issue was passed for expanding facilities at the Hurd Road and for constructing a High School.

Mr. Harold Sodt, Superintendent

Mr. Dennis McCulloch

Mr. McCulloch, who is in his first year at Jefferson as Administrative Assistant to Mr. Sodt, is learning a lot about Jefferson and making many new friends.

Members of the JEFFERSON SCHOOL BOARD include: Left to right, front row: Mr. Paul Richwine, Mrs. Norma Romanchak, Mrs. Iva Mennig, and Mr. Robert Marshall. Left to right standing are Mr. Conrad Michel, Mr. Rene Metdepenningen, Mr. Thomas Sisung, and Mr. Harold Sodt.

people in charge ...

Mr. Raymond Kessler

Keeping the school functioning correctly rests on the shoulders of Mrs. Meyer, office secretary; Mrs. Adams, guidance secretary; and Mrs. Avendt who is in charge of the lunch program.

They can always be seen in the office busily typing, taking calls, and helping students, always with a smile and friendly advice. Jefferson is lucky to have such competent people.

Mr. Raymond Kessler, a graduate of the University of Toledo, has been with the Jefferson School System for nineteen years.

He has been the principal of Jefferson High School since its beginning eight years ago.

During his years at JHS, Mr. Kessler has helped to bring about many improvements for the betterment of the student body, the faculty and staff, and the school in general.

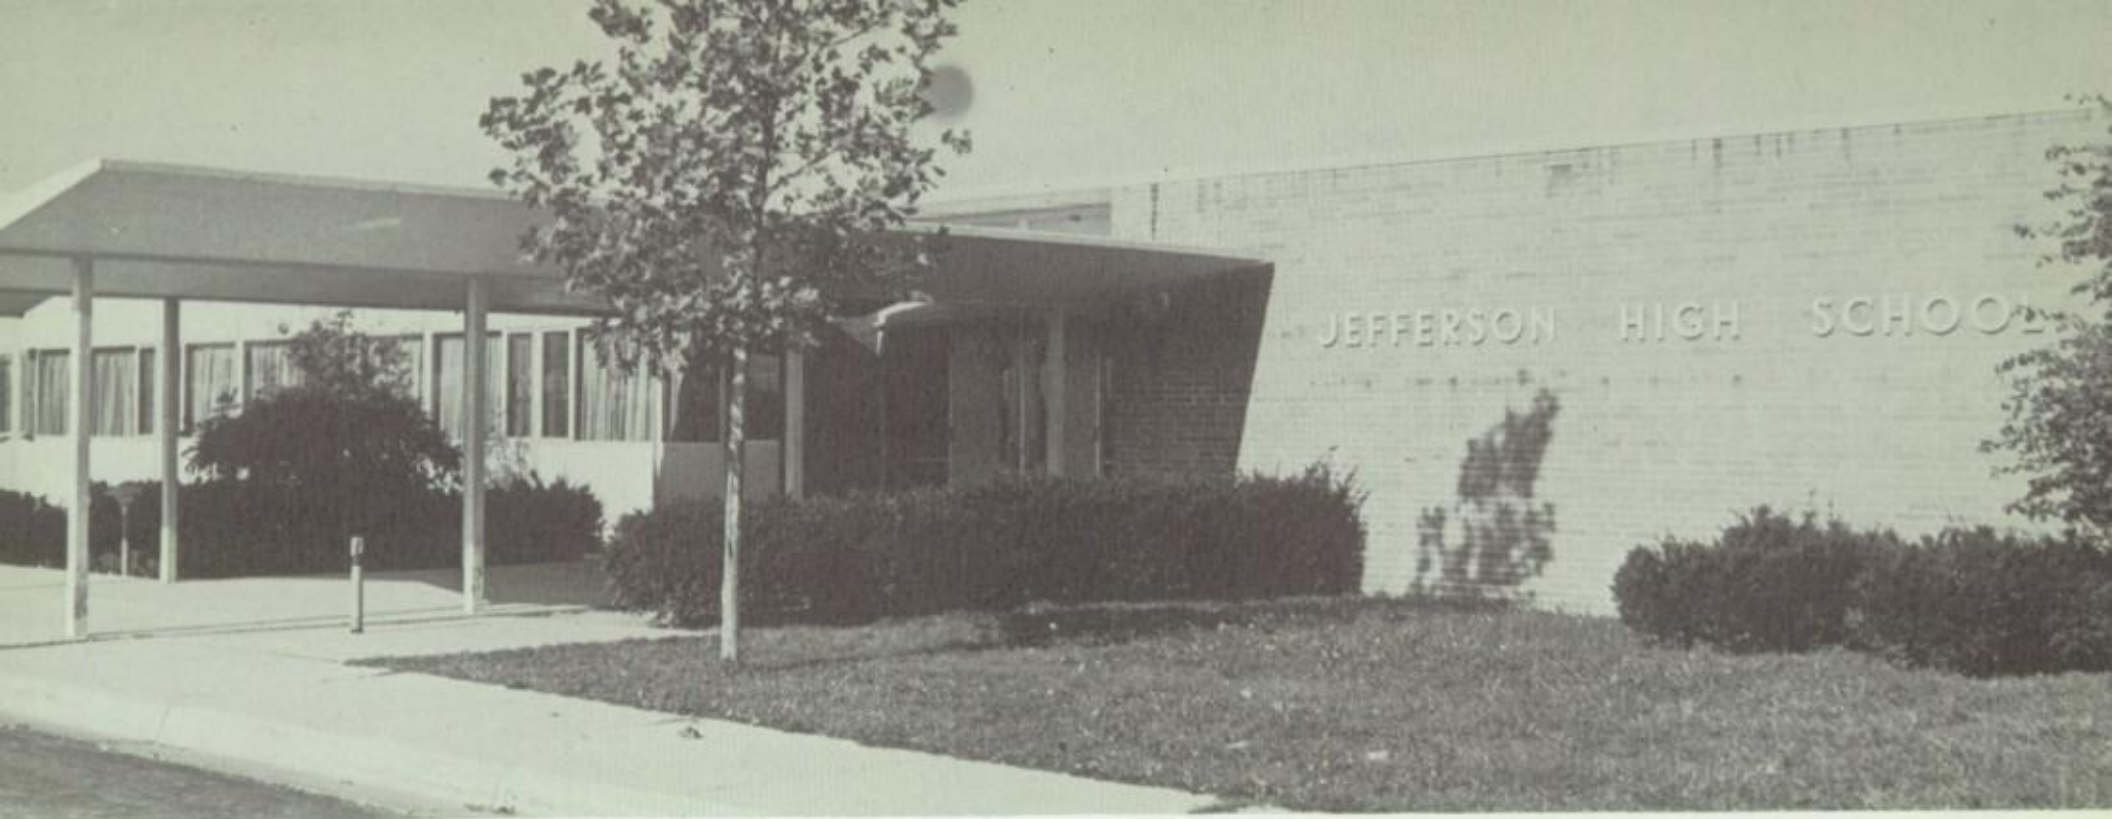

Mrs. Meyer, Mrs. Adams, and Mrs. Avendt

This year there were only two counselors at JHS to help students with troubles and give advice.

Mr. Gossard and Miss Schlorb handled both personal and academic problems. One of their biggest problems is keeping seniors informed of college and scholarship opportunities.

This year three new teachers, Mr. Davis, Mr. McIlroy and Mr. Kales, were added to the faculty at Jefferson.

Many staff members devote much of their time to extra curricular clubs and activities along with acting as a coach, director, class advisor, and chaperones, in addition to planning assignments, lectures, and their regular teaching duties.

behind the scenes...

The cafeteria staff has the responsibility of feeding the students and faculty members of JHS. Each day starting at 7:30 a.m. the cooks begin the task of preparing 275 meals. Mrs. Avendt is in charge of the program and she sees to it that things go smoothly.

Mrs. Dorn.

Andy, and Tom.

Every student at JHS starts his morning with that five or ten minute bus ride to school and they know that no matter what the weather our punctual bus-drivers will be ready and waiting. The bus-drivers meet their tasks with a smile or joke, something which proves invaluable when the 3:05 bell rings and masses of exuberant students descend on the waiting buses.

Our custodians at JHS are to be commended for the fine and efficient service that we receive from them. Any time of day that we need help they are always at our disposal. The senior class not only thinks of the custodians as helpful and hard working but as good friends.

BUS DRIVERS (Left to Right): Mr. Friar, Mr. Brouw, Mrs. Blessing, Mrs. Larkins, Mr. Masserant.

October 19 was the day, 2:00 p.m. the time, and Jefferson High School's football field the place, as old grads and under-grads gathered for the 1968-69 Homecoming.

The Bears were at their best, the weather calm, warm, and balmy, and the crowd peppy and anxious.

As the cars drove by slowly, each containing a prospective queen, the excitement increased. Finally all the anxiety and anticipation was drawn to a close as Vickie Hyden was crowned 1968-69 Homecoming Queen.

Contrary to the 1968 season predictions, the Jefferson Bears didn't lie down and play the door-mat for the highly regarded Huron League. In chalking up their two league wins, the Bears pulled the upset of the year when they defeated one of the pre-season favorites Flat Rock 14-7, which had defeated them 66-6 the previous year. Also coming under the victory column were a 27-0 whitewashing against Milan, and a 20-7 homecoming victory over Huron.

The game of the year Bear fans will never forget was the start of the Catholic Central-Jefferson football clashes. Except for a five minute lapse in the third quarter the Bears played the 8th ranked in the state Falcons to a draw. The Bears offensive unit moved the ball against Central with more authority than any team did against them throughout the year.

Coach Cisco's squad consisted of only 18 to 19 members, with most of the players having to play both ways. At Milan after the team bus arrived and the squad was on the field warming up the referee came up and asked Mr. Cisco if his second bus of players were late.

The Bears placed five players on the All-Conference Team and the honorable mention list. On the first team were Chip Greene and Chuck Impastato. Jack Price, Mark DuVall, and Scott Larkins were on the third team. In addition Chuck Impastato and Chip Greene received honorable mentions for the all-state team.

Coach Dick's harriers finished their season with a hard fought 3-4 record in dual meets. This is a slight decline from last year's record, but stiff competition in the Huron League proved a little tough to handle for this year's still inexperienced team.

The squad with only one senior was in a rebuilding program for next year. The only senior to compete in competition for the Bears this year was Jim Rojem, who topped the old record set last year by Mike Hudkins. Rojem lowered the record of Hudkins in a dual meet and it now stands at 10:17. Rojem placed eleventh in the regionals which took him to state where he placed fifty-third.

o school life...

The Varsity Cheerleading Squad is composed of five senior girls and one junior.

To add pep and spirit to the competition is one of the important jobs of the cheerleaders. Under the direction of Mrs. Donna Kennon the girls stayed after school one night each week to establish school spirit with the crowd. Their attractive chants and cheers are the result of hard work and long practices.

The reserve squad consisted of three juniors, one sophomore, and two freshmen. They taught the student body several new, enchanting cheers which were well-liked. They worked to promote school spirit and sportsmanship.

RESERVE CHEERLEADERS (Front Row): Pam Duncan, Denise Vasicek, and Debbie Myers. (Back Row): Gerta Partain, Jan Saum, co-captain; and Candy Snively, captain.

the music maker

The Jefferson High School Varsity Band, under the direction of Mr. Robert Todd, was constantly in the spotlight throughout the fall season. They performed at every home football game during the half-time, marched in the annual Torch Drive Parade, and participated in half-time ceremonies at a Detroit Lions football game. They also played an important role in the annual Christmas presentation.

Their major contribution to the winter season is their support to school spirit with their inspiring Pep Band which played at all home basketball games.

Miss JHS and escort Al Perkins.

Diane Adams was selected to represent Jefferson in the annual Torch Drive Parade. In order to achieve this honor a girl must be neat in appearance and possess good personal qualities.

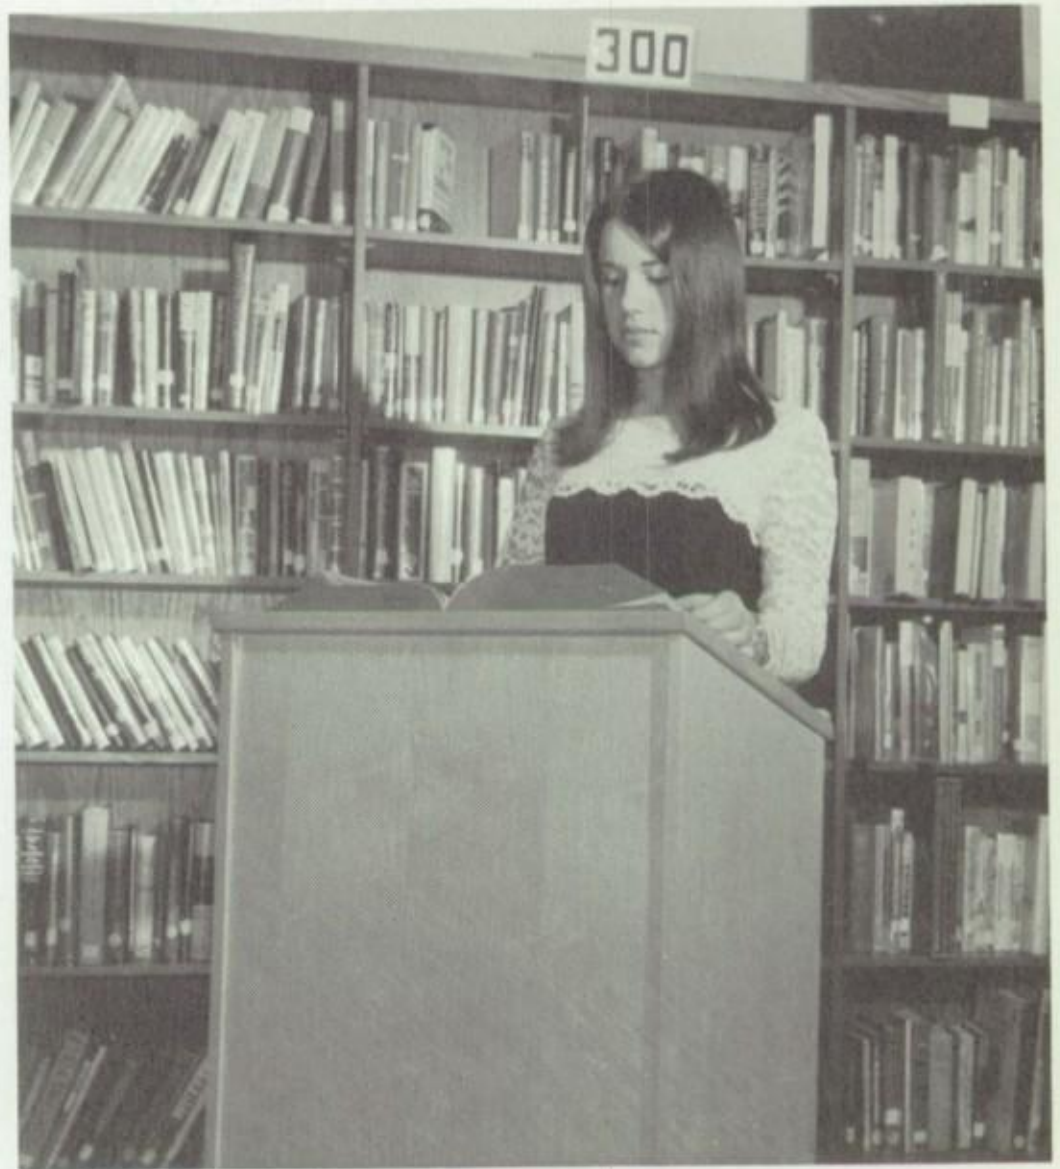

At JHS Diane participates in Pep Club, Young Democrats, Student Council, the Senior Play, and Future Teachers and French Club where she holds the position of secretary. Diane is also Jefferson's Drum Majorette.

Upon completion of high school she plans to enter Grand Valley State College where she will major in Elementary Education.

Diane keeps an accurate account of the French Club's activities.

miss dar, diane fowler ...

Miss DAR, Diane Fowler.

Diane Fowler was selected to represent Jefferson High School as Miss DAR GOOD CITIZEN. She is the daughter of Mr. and Mrs. Raymond Fowler of Newport.

In order to obtain this achievement a girl must exemplify dependability, citizenship, character, and service to her school and community.

In March a tea is given by the Nancy DeGraf Chapter of the Daughters of the American Revolution for her and her mother. Here she receives a charm in remembrance of her honor.

Diane plays an active part in Pep Club, Business Club, the Senior Board and GAA. She was also a member of the Homecoming Court. She also served as a Red Cross Volunteer.

juniors assume leadership....

The Class of '70 have established themselves in the high school surroundings and are preparing to accept the leadership and responsibility that will fall upon them next year.

They began the year off by holding class elections. Those elected were Mike Boberg, president; Jack Price, vice-president; Gerta Partain, secretary; and Brenda Monday, treasurer.

Money-making projects include a bottle drive, candy sale, a sock-hop and dance, the junior play and a booth at the annual Spring Carnival.

This year was the big year for the junior class as they led in academic achievement and school spirit. Homecoming participation included junior attendant LaVigna Sander and a first place in the float contest.

As seniors we would like to thank the juniors for their friendship and competitive spirit which helped in making our last year a memorable one.

betty crocker homemaker...

Linda Kay Liford was selected as the 1969 Betty Crocker Homemaker of Tomorrow for Jefferson High School.

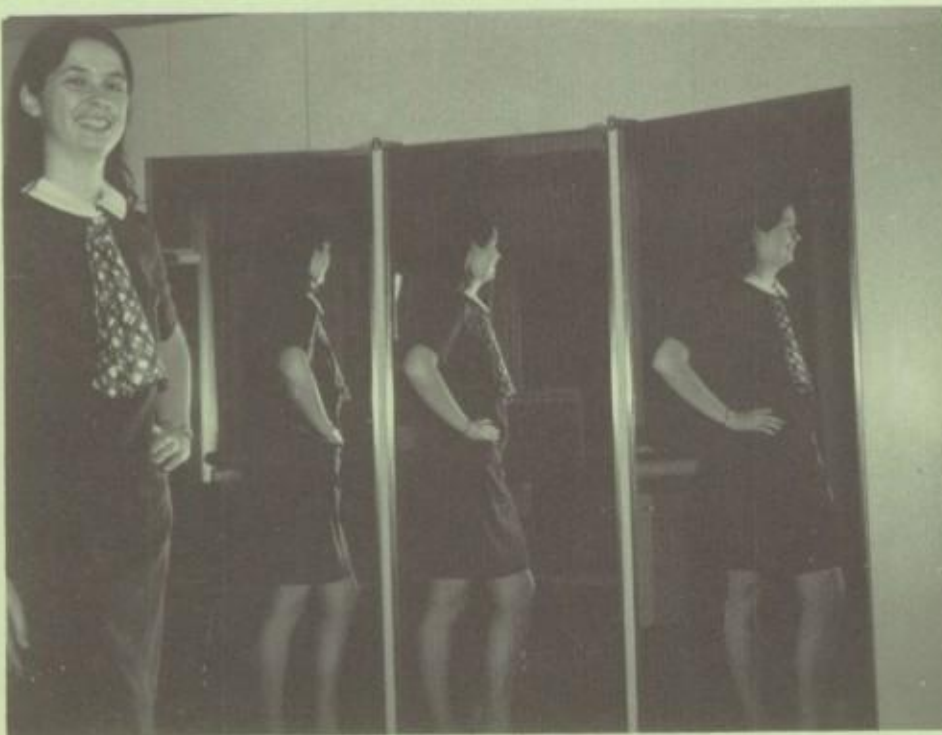

Linda scored highest in the American Homemaker of Tomorrow test given nationwide in December. Only senior girls in Home Economics were eligible to take this test. She was awarded a specially designed silver charm from General Mills, sponsor of the Betty Crocker Search for the American Homemaker of Tomorrow.

She is the daughter of Mr. and Mrs. Claude Liford of 3293 Inglewood Dr., Woodland Beach. Aside from being an honor student Linda finds time to participate in G.A.A., both the girls extramural volleyball and basketball teams, the bowling league, Young Democrats, Pep Club. She is also the president of the Future Homemakers, treasurer of the French Club, secretary of the National Honor Society and Business editor of the yearbook.

Linda plans to enter Grand Valley State College, to which she has won a scholarship, to study secondary education. Linda hopes to become a teacher to the handicapped children.

bears cagers debut in

A ninety-one point scoring spree, which broke the school's single game point record, highlighted the many exciting moments which the Jefferson Bears provided for their team followers during the 1968-69 season.

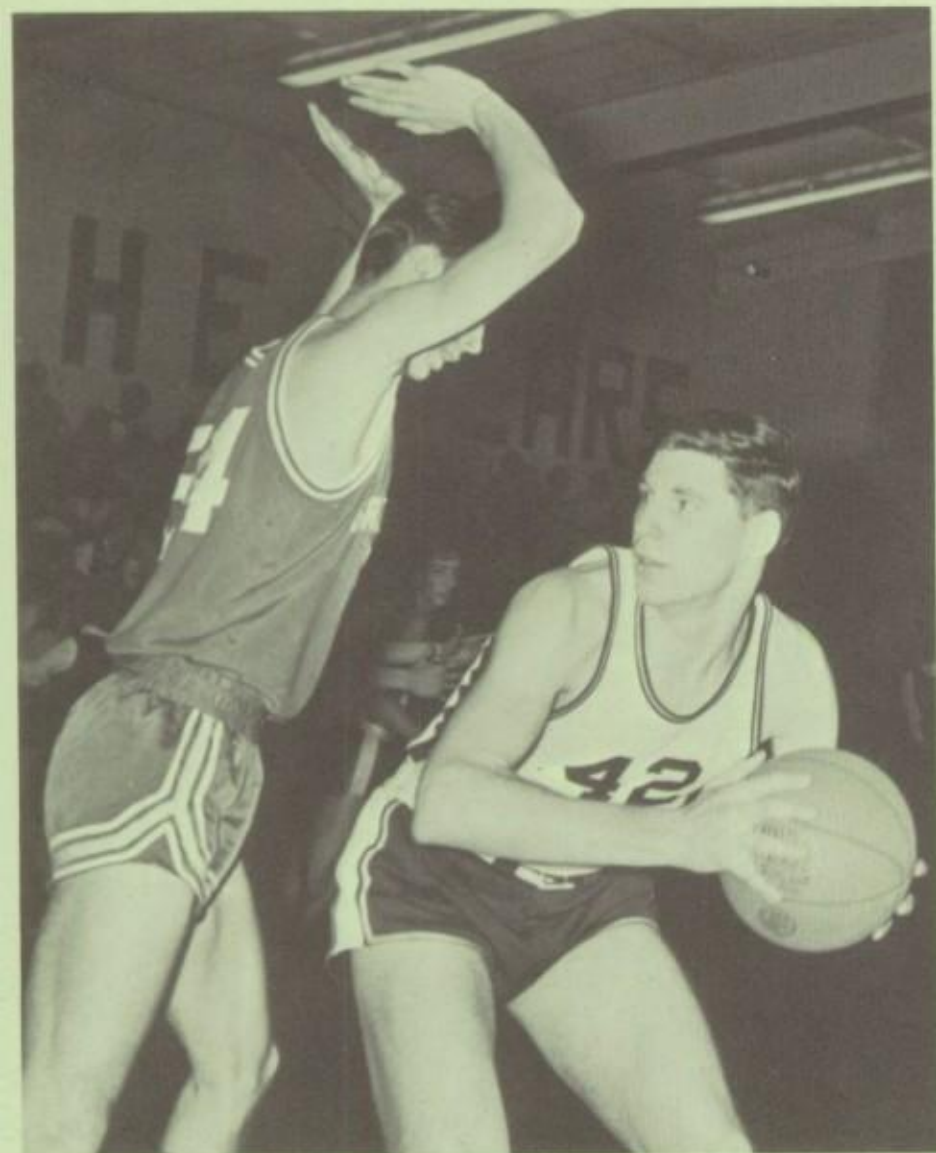

Coach Alan Miller in his initial varsity campaign, saw the tables turn as an early 3-1 record turned into a final 5-12. However, two of those first three victories were against non-league foes Ida and Mason. The most thrilling game of the season for Bear followers was Jefferson's near upset over highly touted Blissfield, as they lead with less than three minutes remaining. But a late Royal surge brought Blissfield a 72-66 victory on their home court.

Leading scorers for the year were Chuck Impastato, Larry Hemry, and Joe Mata with 211, 206, and 170 points respectively. Joe Mata and Chuck Impastato pulled down 226 and 158 stray shots respectively. Mata was the lone Bear getting league honors as he made the honorable mention team.

RESERVE BASKETBALL. Shown with Mr. Dick are Bruce Eckert, Terry Moore, Larry Moore, Ed Antaya, Mark Dorchinez, George Kimbro, Bob Connolly, Frank Henry, George Kovenich, Don Germain, Steve Souva, and Mike Pollari.

A winning record isn't the main objective of a reserve basketball team, but it is to give the younger player's experience, poise, and confidence for their upcoming varsity campaigns.

Mr. Dick, in his first year at the controls of the reserve team, guided the JV's to a 3-13 record. The younger Bears, like the varsity, started fast by winning two of their first four games but managed just one victory in their last eleven starts. Sophomore Mike Pollari led the team in every offensive department and wound up leading the team in scoring with 8.6 points a game. He was followed by George Kimbro and captain George Kovenich with 8.0 and 7.2 respectively.

where everybody has

Coach Vern Veeder's young grapplers ran into stiff competition in the Huron League this year and posted a 4-13 record in dual meets.

Gary Grahl and Phil Smallets placed first in the league meet which assured them of all-conference choices and Dave DuVall and Joe Braden came in second for honorable mention.

The Bears had a young squad this year with only four returning lettermen, Mike Easter, Gary Grahl, Chuck Keehn, and Phil Smallets. Smallets and Keehn were elected co-captains for next year's team and Smallets also received most valuable player. Dave DuVall received most improved, and Mike Easter was elected most dedicated.

They aid the librarians and secretaries.

At any time of day a group of girls can be found aiding the faculty and generally working hard.

They brought a pop machine into the school for the students, had a program on hypnotism, participated in the March of Dimes program, sponsored a dance during school for the Salvation Army, the admission was a can of food, and brought the Eastern Michigan University Choir to present a concert for the student body.

Every homeroom elects two people to represent their class in the Council. These representatives are responsible for reporting and discussing with the homerooms all items concerning the students.

character and service...

There are several qualities considered for admission into this organization. Each person is judged on academic achievement, character, leadership, and service to the school and community.

Each spring there is an "orientation tea" for the prospective candidates from the Sophomore Class. This tea is to help sophomores become acquainted with the organization and its membership to the club. Mrs. Patricia Vincent, is the advisor of Le Cercle d'Honneur as it is known.

The 1968-69 officers were Bob Adkins, president; Linda Liford, secretary; and George Heatherly, treasurer.

spirit is displayed in many

To Jefferson High School the word "spirit" is interpreted many different ways. The pep club is one of the most important forms of JHS spirit. Members attended the games and cheered for the Bears until the very end. They also sponsored a bumper sticker sale, a key-chain sale, the annual school spirit contest, and constructed spirit posters including "The Year of the Bears" which was used in the gymnasium during the basketball season and sponsored a pep rally and sock-hop.

The Jefferson Varsity Cheerleaders were also an important asset to the school spirit. They led the pep club in cheers and sponsored pep rallies and also a sock hop.

Probably the most entertaining form of JHS spirit is the Jefferson Blue and Gold Belles, under the direction of Mrs. Marilyn Zimmer. Their attractive routines were the result of long, hard practices.

Jefferson is known by the rest of the Huron League members for the outstanding display of spirit and sportsmanship.

The Chalmers were sometimes an ordinary family. They consisted of Father (Rick Tulak) who is a raging businessman, Mother (Holly Gerwick) who is just; daughter Cora (Karen Lieb), who is in love with a boy (Bob) played by Marc Duvall, who works at her father's plant; and Mary Ann (Becky Newsome), who is a teen-ager with enormous ideas.

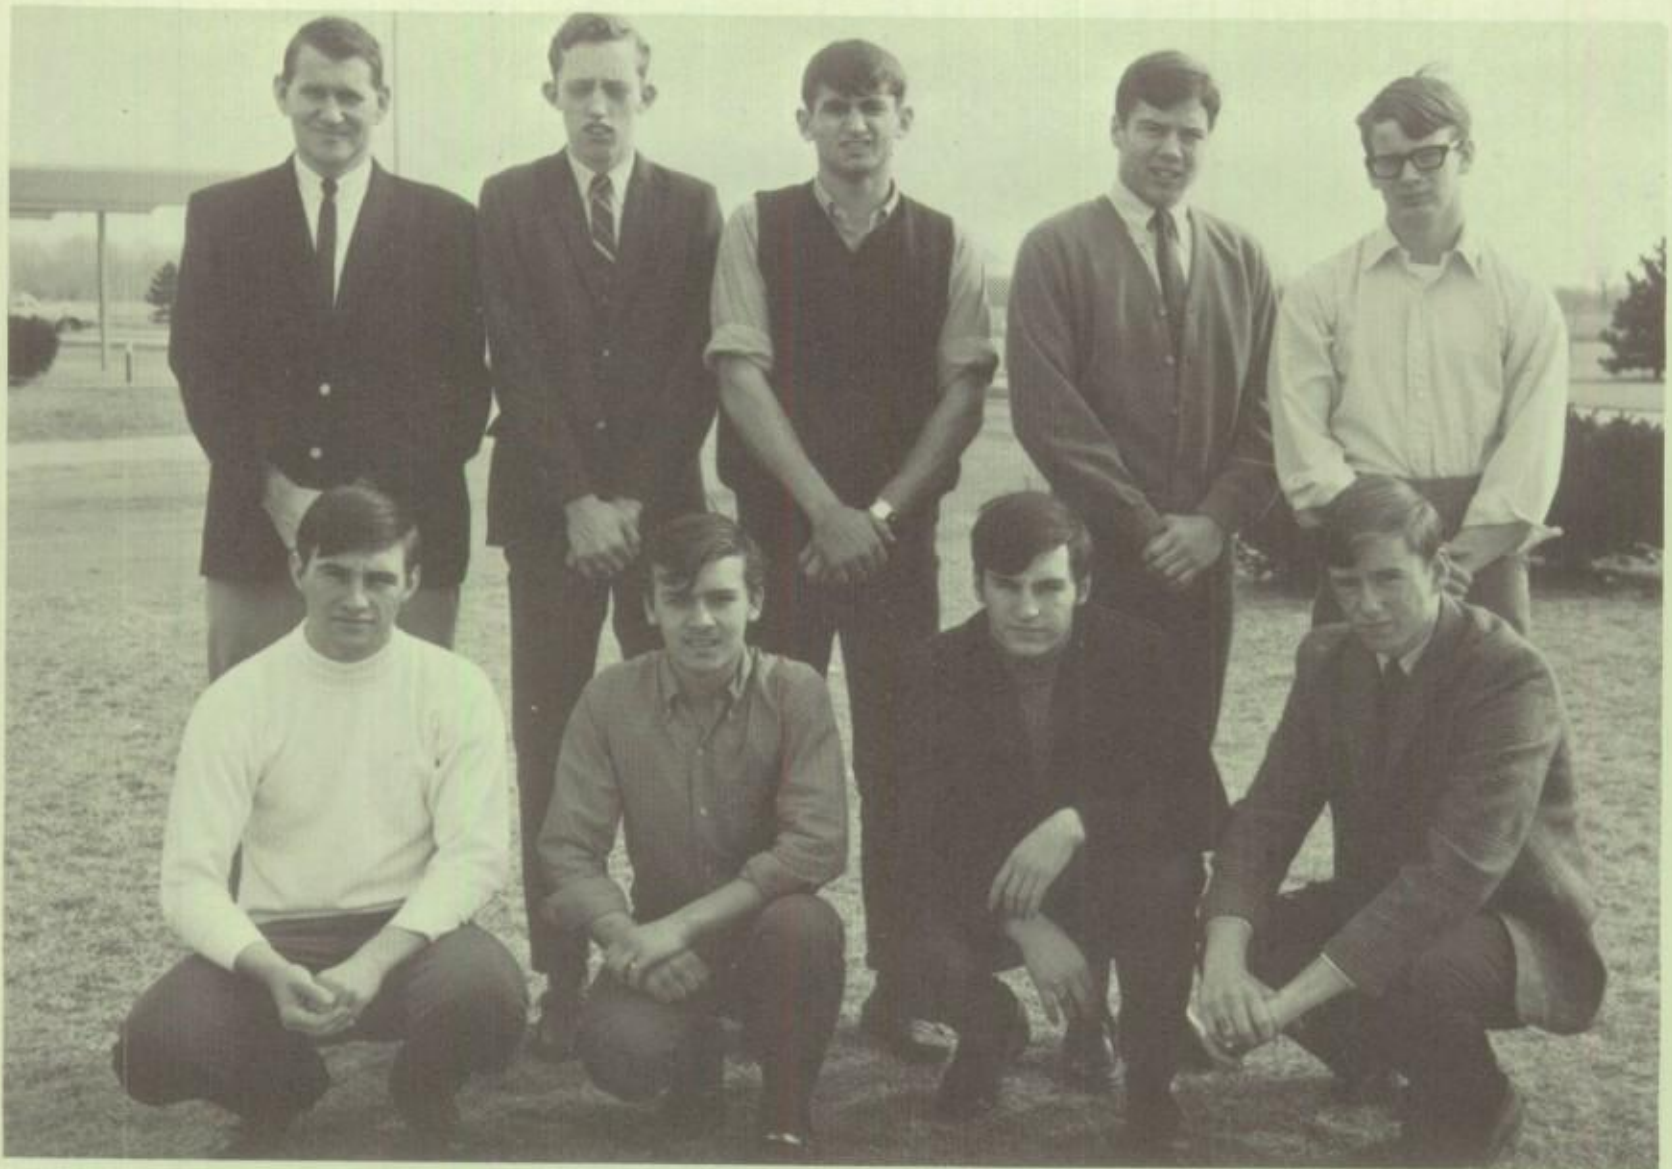

At the opening Father wanted to retire and turn the business over to his future son-in-law, but first Bob had to pass a test (which was a secret to everyone).

It was all nip and tuck until Bob saved the day with an important client.

All ended well, except for Mike Jaworski who played the poor telephone man who had to fix the phone each time it was ripped out of the wall.

BASEBALL RETURNING LETTERMEN (Kneeling): Jack Price, Jim Stump, Chip Greene, and Tim Caldwell. (Standing): Mr. Zimmer, Mike Boberg, Jim Blanchette, Chuck Impastato, and Larry Hemry.

Faced with a 16 game league schedule plus three non-conference games, Coach Gene Zimmer will be counting heavily on his nine returning lettermen.

The number one problem for the Bears this season will undoubtedly lie in the pitching department. As last year Bob Graham and Toby Hemry, both of whom graduated, carried the pitching burden. However, Chuck Impastato, who had a 3-1 record, and Larry Hemry, 0-1, saw some limited action on the mound.

Regulars back from last year's team and their batting averages are Jack Price (.176), Larry Hemry (.188), Mike Boberg (.231), Chip Greene (.250), Jim Blanchette (.271), and Chuck Impastato with .345.

Other returnees who hope to find a starting birth this year are Dave Graves, Scott Larkins, and Jim Stump. Larkins led the team in pinch-hitting last year with a .667 average, getting two hits in three at bats and collecting five walks.

Any old lead will do, that's the philosophy of coach Cisco as he enters his first year of Huron League competition for track this year with a young squad.

The team consists of eight returning lettermen, four seniors, Mike Easter, Bob Avendt, Jim Rojem, and Gary Grahl. Other returning lettermen are Larry Addis, Marc Duvall, Bob Stonic, and Jim Walker.

The thinclads will have their hands full with twelve dual meets and five invitationals with the regionals and state meet rapping up the 1969 season. This is the most meets the Bear thinclads have ever had in the past history of track at Jefferson.

Captain Gary Grahl confers with Mr. Cisco.

valedictory

Good evening parents, classmates, and faculty of Jefferson High School.

Tonight we are assembled here for a very important event. Within this very hour, we, the graduating class of Nineteen Hundred and Sixty-Nine, will be passing through the doors of Jefferson for our last time. As we look with a pensive attitude upon this, the most important event in our lives thus far, we tend to ask ourselves the question, "Am I ready to face the new world which lies ahead?"

As we ask ourselves this question and ponder upon it, we look back and first of all we see you, our parents, who for the entire duration of our lives have instilled within us the high principles and ideas which will be necessary in our future. You have given us your wise counsel, with our best interests in mind, so that we could make the right decisions. Yes, parents you have sacrificed much for us so that we would be prepared for the future which we now face.

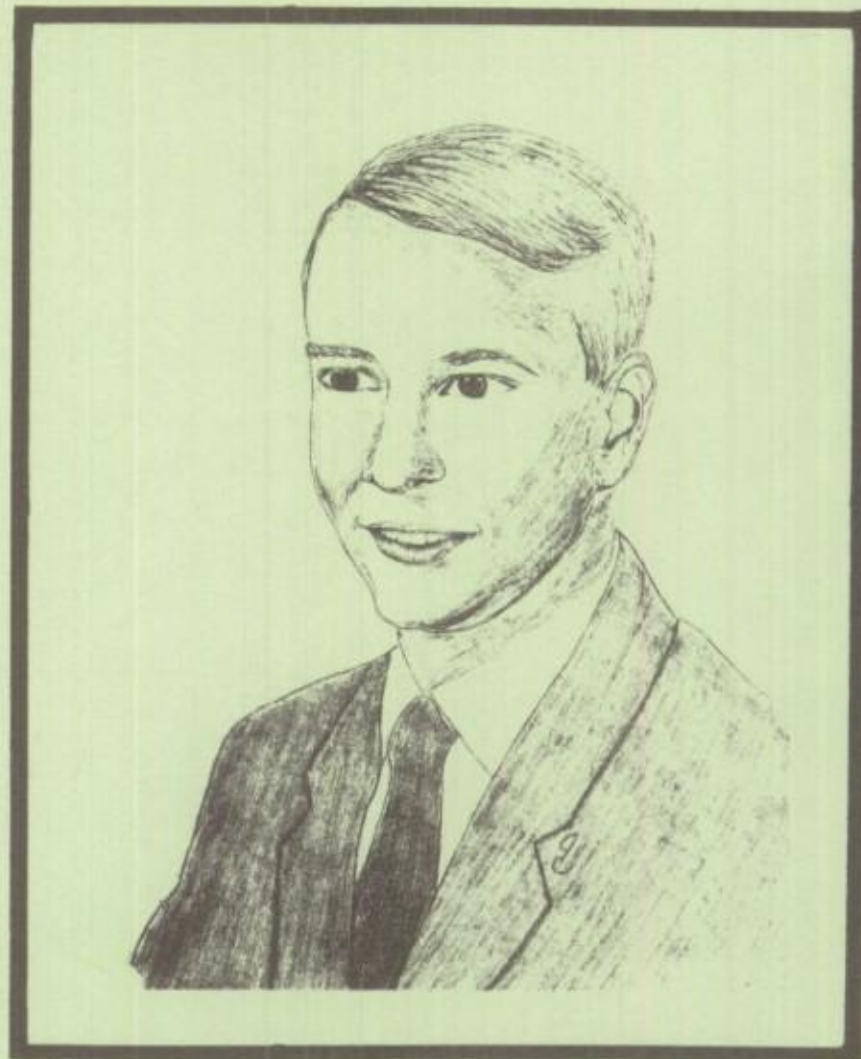

Next, we look back upon our teachers who have given to us their knowledge, which in a technological world such as ours, is a necessity, those teachers who have been patient and understanding with us during our many failures as well as successes.

As we look back upon the many events of the past four years, we see our cherished friends who have also helped to prepare us for the paths which lie ahead, those friends who have come to our aid with an understanding and sympathetic ear or in some other way when we needed them most. We will always have fond memories of these people with whom we have shared the many joys as well as problems of the last four years.

Also, tonight, as we ask ourselves this question, we cannot forget our great nation, which has given us the opportunity to be educated in order to make us responsible, honest, citizens and human beings.

As we look back into the past, God has been our sustaining help in the many seemingly insurmountable problems which we have had to face alone, those which neither our parents nor any other mortal person could help us with. With only God's help we have overcome these difficulties. As we approach the future, He will be our guide and helper on the many paths which we shall travel. We shall always need to rely on Him and we must never forget Him.

When we ask ourselves the question, "Are we ready to face the new world which lies ahead?", we can look back at our parents, friends, Jefferson, and our nation with a spirit of gratefulness and our reply will be, as the motto of our class, "We are not afraid of tomorrow, for we have seen yesterday, and we love today."

Robert Adkins, Valedictorian

salutatory

Parents, teachers, and fellow classmates, tonight we meet here for the last time as seniors of Jefferson High School, yet forever as the Class of Nineteen Hundred and Sixty-Nine. Together here, we are greeted with a challenge as we look at the accomplishments of the past and toward the promises of the future. High school holds many memories for us all, and through these memories formed from the helpful influence of our parents, teachers, and friends, we have discovered the talents with which God has endowed us.

These talents take many different forms but are distributed to us all according to our individual ability. Through the journey of life on which we are now about to embark, the talents we have only begun to cultivate, must be carefully nurtured and developed to be of benefit to society, ourselves, and to God. Our experiences of high school have been the beginnings of this task. What we have learned here cannot be destroyed unless we neglect our future by leaving the soil untilled and doomed to an unfruitful harvest. In order to prevent this, we must keep this very thought in mind.

Though the past twelve years have formed a very definite foundation for each of our lives, this foundation is but a beginning, a beginning which needs a visible goal to reach a complete end.

God has given us our great country, our sacrificing parents, teachers, and numerous others to whom we owe a great deal of sincere gratitude at this time. He has also given us our talents and the challenge to use them as we travel the road before us.

Tonight, as we look back on the unforgettable events of the past, let us not forget to look ahead to the future and this challenge set before us. With confidence and anticipation of achieving our goals, let us take this first step. After this first one, may each step thereafter lead us closer to God's final blessing, "Well done, thou good and faithful servant."

Sharon Gillogly, Salutatorian

our sun ...

There was our sun;
We stood so much alone it seemed,
That dawning day.
We watched in awesome wonder
At its slow ascension in the east.
We closed our eyes; it was too bright
For tender, oh so timid
Was our sight.
And apprehension, standing close beside us,
Took our hand.

And yet so soon
We became accustomed to its newness and its glow;
Its rays seemed friendly,
And it wore a winning smile.
Slowly then we raised our heads
And turned our eyes into its light,
Still in wonder, still in innocence,
Yet not so tender as before.
Inquisitiveness crept up
And whispered in our ear.

And soon our sun was overhead,
And time there was for play and fun,
With many things to do
Before this day of ours should close.
Carefree happiness
Joined us as we danced.

And now with sunset light upon our backs,
We stand and cast long shadows
Toward the eastern promise
Of another day.
The softened hues of eventide are but the blending
Of the many moments of a cherished day that we must leave behind
... of hundreds more that we shall take along
For other hours of looking back.
And as we look on these,
The friendships made, the lessons learned,
The joy in having come thus far,
Our thoughts, like quiet tones from some unseen Angelus,
Ascend on wings of prayer
In thanks for all this day that has been ours;
And faith, its arm about our waist,
Points toward another dawn.
